Reviews

Very useful to all category of men and women. I actually have study and i also am certain that i am going to going to read through again once more down the road. Its been written in an exceptionally simple way and is particularly only soon after i finished reading this publication by which basically altered me, modify the way in my opinion.

THE CULTURES OF THE AMERICAN NEW WEST

Edinburgh University Press. Paperback. Book Condition: new. BRAND NEW, The Cultures of the American New West, Neil Campbell, An introductory survey of the important debates about key issues in the cultural history of the contemporary American West. Neil Campbell introduces the ways in which the West has been represented and interpreted within American culture, myth and ideology, especially questioning the concept of the 'New West'. In so doing he looks at the way contemporary theories such as feminism, multiculturalism and environmentalism can be used to revise long-held notions of the West. The book looks in turn at the ways the West has been represented in landscapes and environments, art and photography, film, and literature *Introduces theoretical ideas from Bakhtin, Benjamin, Foucault, Deleuze and Guattari *Looks at the landscape photography of Ansel Adams, Mark Klett and Richard Misrach *Explores Westerns including The Man Who Shot Liberty Valance, Lonely are the Brave, Unforgiven and Heaven's Gate *Analyses the work of authors such as Cormac McCarthy, Edward Abbey, Terry Tempest Williams, Raymond Chandler *Includes Native American (Leslie Marmon Silko, Sherman Alexie and Gerald Vizenor) and Chicano/a (Gloria Anzaldua and Sandra Cisneros) literature As well as functioning as a survey text, the book is original in its combining of ideas, texts and materials rarely brought together, and in its employment of the tools of cultural studies and interdisciplinary practice. As such it will challenge the reader to reconsider conventional ideas about the American West. Illustrated with black and white photographs, this is an accessible and exciting intervention in one of the most popular aspects of American history.
