Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The possibility of new possibilities of pedagogy is explored in this book through serial discussions of the pedagogy of inter-being , the pedagogy of event and the narrative pedagogy . How the embodied practice of creation of the real could be transformed and triggered by the pedagogy of entrepreneurship is the focus of our thinking. Firstly, by the claim of the pedagogy of inter-being, this book calls for the return to the relationship of pedagogic encounter and the generated field of pedagogical problematic in order to humanize the pedagogical knowledge for the entrepreneurship of the worldliness and realness of pedagogical epistemology of the field. Secondly, it tries to respond to the trend of contemporary continental philosophy, that is, the return to the real and the concept of immanence, by the proposal of the pedagogy of event to suggest that pedagogy should notice the becoming nature of life and understand the ontological implication of event in terms of unfolding the filed of Being. Next, the book corresponds to contemporary development of the narrative pedagogy , and concerns not only...
