DADDY VERSUS THE SUCK MONSTER

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Daddy Versus The Suck Monster is the honest, humorous, and frequently irreverent portrayal of first-time fatherhood as told by J. Matthew Nespoli. From Kirkus Review: A guy's guide to all that's gross, humorous and surprising about fatherhood, from the perspective of a first-time dad. It eventually leads him to nickname Keller The Suck Monster. The book is full of dark humor, with no qualms about being blunt and crass about sex, marriage, and scatological matters. Yet the author's absurdist knack for overstatement makes some of the most offensive jokes and juvenile gags forgivable and even endearing. Underneath the frivolity are a remarkable sincerity and the trustworthy, progressive voice of experience. He offers new dads legitimate tips and advice, as well as commiseration about mistakes, sacrifices and morbid thoughts. The author's numerous digressions may divert...
