FORKS IN THE ROAD: SMALL TOWN LIVES AND LESSONS

AUTHORHOUSE, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Growing up in the 1950 s and 60 s in a small upstate NY city, the author has interacted with many of the community s leading lights, and has lots of stories to tell, and reminiscences to share. It could be a book about anywhere USA, and in reading the compendium of columns, the reader will get to know people they don t know, and will feel as if they did know them. John Sullivan is good at giving eulogies, and good at telling stories, particularly about people he has known and admired. Each brief biographical sketch gives you not only an understanding of the person and their times, but a feel for the contributions their lives made in the overall quality of life in their communities. As a daughter of one of the subjects wrote to the author, You gave my mother a great gift-recognition for her life s achievements She was uplifted by your telling of her story, and we are forever grateful to you for putting the cherry on top of her career. Memories, in the end, are all we have, and the sweeter the memory, the more appreciation there is for lives well lived. There are lots of sweet memories, and life s lessons learned in this book. The author hopes you enjoy reading about them as much as he enjoyed writing about them.
