This book may be worth purchasing. It typically fails to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE SILENT SERVICE: THE INSIDE STORY OF THE ROYAL NAVY'S SUBMARINE HEROES

Headline Publishing Group. Paperback. Book Condition: new. BRAND NEW, The Silent Service: the Inside Story of the Royal Navy's Submarine Heroes, John Parker, One of the great untold stories of the British services is that of the Royal Navy Submarine Service which entered the fray in World War I with 100 underwater craft. Through World War II, where submariners' prospects of returning safely from a mission were only 50:50, the Falklands conflict and the sinking of the Belgrano, to present-day elite machines, the Silent Service has played an enormous part in British defence. John Parker's in-depth investigation is very much personality led with diaries from the early part of the century to substantial first-person testimony from survivors of wartime heroics (when many VCs were won).
