Everyone has to start somewhere in the business of making money with money. You must have the right information from the very first day if you want to become successful in this business. You don t need to know everything all at one time nor could you, and you certainly don t have to learn how to trade every asset class there is. You should concentrate on becoming a specialist versus being a generalist.This book affords readers who are brand new to Forex trading and investing the opportunity to really learn and expand their knowledge base as brand new Forex traders. This book should be a must read for novice and inexperienced traders with no experience looking to build on their education foundations and strategies. By knowing what to study from the start as a beginner you can greatly reduce the huge learning curve there is in this business to be able to make money in the live markets on a consistent daily basis right away. Investing and trading is the best business in the world as far as I am concerned. The beautiful thing about the financial market is that it is always going to be there!! It is the only business I know of where you can do it from anywhere on the planet there is WIFI so what could be wrong with kicking back on your boat at the marina or at the beach on a beautiful sunny day or flying to Europe to meet friends for the weekend and still be making unlimited...
