Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Raised Bed Straw Bale Vegetable Gardening Combination - The RS Combo Growing vegetables organically by sustainable means is taken to a new level, with this concept of an RS Combo (Raised Bed Straw Bale Combination). By combining these two popular gardening techniques, you can have the best of both worlds and grow a virtually limitless array of vegetables and other plants. The inherent weakness of growing veggies in straw bales, is the fact that they will only last 1 season, or 2 at most. Growing perennials such as rhubarb, strawberries, Asparagus or berry bushes is also a no-no because of this short-lived aspect. With Raised Beds, they can be expensive to build and fill with compost regularly as the material reduces through natural depletion. However combine the two, forming an RS Combo and you have a gardening revolution. As you will learn from this book, incorporating the idea of the RS Combo means that each concept compliments the other very well. The RS Combo combines the strengths, and effectively neutralises the weakness of the individual ideas, to produce an all-round vegetable gardening solution to suit every need. Click on the Buy Now to see how you can benefit from this New vegetable gardening revolution.
