Microcosm Publishing. Paperback. Book Condition: new. BRAND NEW, In Search of the Lost Taste, Joshua Ploeg, Joshua Ploeg's cooking is transcendent: dangerous, strange and perfect. It's full of colorful tastes that explode in your mouth like Pop Rocks flavor combinations you never thought possible. Crazy alchemy. Freaky magic. Joshua's a Traveling Chef: you make an appointment and he shows up at your house with a load of groceries, makes an incredible multi-course vegan meal using your pots and pans, and then he's gone. He's been in a bunch of hardcore bands and he brings all the good things punk rock gave us: risk, passion, creativity, and weirdness; then he applies them to his meals. This sort of vegan cookbook doesn't come along every day, folks! It's impressively decadent, but also totally approachable (and the ingredients you need for these elaborate dishes are things you might actually have around). Give it a whirl, you won't be sorry.
