Xulon Press. Paperback. Book Condition: New. Paperback. 260 pages. Dimensions: 11.2in. x 8.2in. x 0.5in. This is a document to expose evil in our government, our country and our churches and to suggest ways to correct this evil, improve life in general, and help bring unity to the faith. Life's most important problems are addressed with ways to solve them. These include problems in education, voting, taxes, abuse, health, faith, churches, murder, traveling, Bible, quality of life, and many others. Implementing these suggested improvements can increase the quality of your life and the lives of those around you. He has also researched many books available to the patriot movement. These various studies resulted in a desire to share information in the form of several books and a video series. One book addresses evil in government and churches and provides ways to correct this evil. The video series, called Health and Happiness, is in a five and one-half hour question and answer format containing charts with a wealth of information. Mr. Diel has...
