Reviews

A must buy book if you need to adding benefit. It really is writter in straightforward words and not difficult to understand. I am just pleased to let you know that here is the best ebook i have got read through in my individual daily life and may be he best book for ever.

(Prof. Charles Boehm)

AFRICA'S PAST, OUR FUTURE

Indiana University Press. Paperback / softback. Book Condition: new. BRAND NEW, Africa's Past, Our Future, Kathleen R Smythe, Africa's Past, Our Future engages the history of the African continent through the perspective of global issues such as political instability, economic development, and climate change. Since the past may offer alternative models for thinking about our collective future, this book promotes an appreciation for African social, economic, and political systems that have endured over the long-term and that offer different ways of thinking about a sustainable future. Introducing readers to the wide variety of sources from which African history is constructed, the book's ten chapters cover human evolution, the domestication of plants and animals, climate change, social organization, the slave trade and colonization, development, and contemporary economics and politics."
