REVIEWS: "I love this series for its evocation of the wonderful relationship that can exist between grandfather and grandchild. If you are a grandparent, get a copy and share it with your grandchild. When Lollipop finds her first wobbly tooth, mischievous Grandpa is full of good ideas to help get it out. a tug-of-war, a woodpecker and an elephant. What is Grandpa thinking of? Great fun and Cate James' illustrations depict the relationship beautifully." -- PARENTS IN TOUCH. "Cate James' cartoon illustrations are perfect for this light-hearted look at tooth worries, and the view of the dentist's hairy nose as he examines Lollipop will amuse children. There is a lot of differentiated text for emphasis, and some sound effects, and this will be great fun to read aloud." -- THE SCHOOL LIBRARIAN.
