Headline Publishing Group. Paperback. Book Condition: new. BRAND NEW, Johannes Cabal the Necromancer, Jonathan L. Howard, The start of a fantastic new series. Johannes Cabal has never pretended to be a hero of any kind. There is, after all, little heroic about robbing graves, stealing occult volumes, and being on nodding terms with demons. His purpose, however, is noble. His researches are all directed to raising the dead. For such a prize, some sacrifices are necessary. One such sacrifice was his own soul, but he now sees that was a mistake - it's not just that he needs it for his research to have validity, but now he realises he needs it to be himself. Unfortunately, his soul now rests within the festering bureaucracy of Hell. Satan may be cruel and capricious but, most dangerously, he is bored. It is Cabal's unhappy lot to provide him with amusement. In short, a wager: in return for his own soul, Cabal must gather one hundred others - in one year. One year to beat the Devil at his own game. And isn't that perhaps just a little heroic?.
