O943 2007i OCLC Number: (OCoLC)312182439 Subject: Government purchasing -- Law and legislation -- United States. Excerpt: . . . 11 Here is just a taste of what we have done or are doing, both as part of our efforts to implement the panel recommendations and beyond: We have launched certification programs to standardize training and experience requirements for contracting officers, their technical representatives, and our program managers. We have given agen-cies the tools they need to identify and close skill gaps as part of their human capital planning. We are working with regulatory drafters to come up with clear competition rules for multiple-award contracts, which account for a growing percentage of our growing acquisition expenditures. We are institutionalizing results-oriented buying practices such as strategic sourcing, where agencies work together to pursue multi-agency solutions for commonly purchased goods and services. Strategic sourcing has the potential to produce tens of millions of savings for our taxpayers in 2008. We are identifying models and best practices for agencies to get the most out of our buying tools. For example, we will soon publish a model inter-agency agreement to ensure agencies understand their roles and responsibilities and assist in acquisitions. We are also developing a checklist to help our professionals evaluate if the performance-based acquisitions are structured in the best manner possible. We are integrating acquisition into the formal agency internal control program outlined in OMB Circular A - 123 so that agencies will have a process to formally and comprehensively assess their progress on a broad range of acquisition initiatives, including those that carry out panel recommendations. With respect to improving contractor tax compliance,...
