Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The American Heart I have the honor of being president of the Peace and Arbitration League of which President Wilson and ex-President Taft are honorary presidents, and who thoroughly believe in the principles of our league. While I preach peace with honor, such circumstances as war should find us fully prepared for the unexpected, particularly at the vulnerable points along our coast. There was recently established at Cleveland, Ohio, a World Court Congress of which I was prime mover, for the purpose of advocating and spreading far and wide the grand idea of a Supreme Court of the World. I am glad to say that in the programme for world peace, it was expressly stated that the principles of arbitration were still to be conserved as a preventive of war, and that appeal to the world court was to be taken only after every other means of settlement of disputes between nations should have been tried.
