

Barron's Painless Junior: Writing

By Donna Christina Oliverio

Barron's Educational Series Inc., U.S., United States, 2006. Paperback. Book Condition: New. Workbook. 249 x 198 mm. Language: English . Brand New Book. Kids travel with Sammy Octopus on a reading and writing adventure. They are encouraged to try different methods of writing and see which way works best for them. They also learn the value of revising and editing, engage in activities that help them make good word choices, and get practice in descriptive writing, letter writing, report writing, poetry, and much more. Teachers in grades 3 and 4 will appreciate the new Painless Junior Series of classroom helpers. Designed to resemble titles in Barron's Painless Series -- which are used in middle school and high school classrooms--the Painless Junior books feature larger page sizes, amusing illustrations, games, puzzles, and an approach to their subjects that reflects third- and fourth-grade curricula. Their purpose is to inject an element of enjoyment into subjects that many younger students find either boring or mystifying. Kids' understanding will improve as they have fun learning.

Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Kian Harber

Absolutely one of the best pdf I actually have possibly read. Better than never, though I am quite late in start reading this one. I realized this book from my dad and I encouraged this ebook to discover.
