

77 Ways to Pray with Your Kids

Filesize: 7.38 MB

Reviews

This pdf may be worth getting. It is actually written in straightforward words and not difficult to understand. You will not feel monotony at any moment of your respective time (that's what catalogs are for about should you request me).

(Miss Golda Okuneva)

Gracewatch Media, United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Whether you are just getting started with family prayer or looking to broaden your horizons, 77 Ways to Pray with Your Kids can help, offering practical, kid-friendly guides to Christian prayer practices both ancient and new. While not all of the prayer practices will become a permanent part of your family routine, trying out many different ways of praying will give your kids a great introduction to the wide scope of the Catholic prayer tradition. Along the way, you may find a handful of practices that become a part of your family's routine. Features of 77 Ways to Pray with Your Kids include: * Age-appropriate adaptations for young children, older kids, and teens. * Articles on a wide range of practices, including Liturgy of the Hours, Answering Jesus Questions, Bite-Size Biblical Prayers, Blessing One Another, Contemplative Prayer, Daily Examen, Lectio Divina, Novenas, Adapting the Rosary for Kids, Grab-bag Prayers, and more. * Talking Points offers a quick explanation of prayer practices that might raise questions from your kids (for example, Why do we pray for the dead?). * Learn more connects you to the relevant section of the Catechism of the Catholic Church and other primary church documents. * An appendix that includes thirty-three common and useful Catholic prayers for easy reference. Theories and philosophies about prayer abound, but when it comes to praying with the kids, we need a guide that is practical, simple, and easy to incorporate. This book is that guide, and I cannot recommend it highly enough! --Leila Miller, Little Catholic Bubble Find online resources to accompany the ideas in this book, as well as additional titles in the Peanut Butter...
