As a thief, I stick to the shadows as much as possible. But when the head of the Sinclair Family picks me to compete in the Tournament of Blades, there's no escaping the spotlight--or the danger. Even though he's my competition, Devon Sinclair thinks I have the best shot at winning what's supposed to be a friendly contest. But when the competitors start having mysterious "accidents," it looks like someone will do anything to win--no matter who they hurt. As if I didn't have enough to worry about, mobster Victor Draconi is plotting against Devon and the rest of my friends, and someone's going around Cloudburst Falls murdering monsters.
