### **Reviews**

*It is an awesome pdf i have possibly go through. It really is filled with wisdom and knowledge You will not really feel monotony at whenever you want of your time (that's what catalogues are for relating to in the event you ask me).*

*(Horace Schroeder)*

## THE PRODIGAL SPY

Island, United States, 1999. Paperback. Book Condition: New. Reprint. 173 x 107 mm. Language: English . Brand New Book. In a time of accusations, treachery and lies, some secrets were heartbreaking. Others were deadly. Once, Nick Kotlar tried to save his father. From the angry questions. From the accusations. From a piece of evidence that only Nick knew about and that he destroyed for his father. But in the Red Scare of 1950 Walter Kotlar could not be saved. Branded a spy, he fled the country, leaving behind a wife, a young son and a key witness lying dead below her D.C. hotel room. Now, twenty years later, Nick will get a second chance. Because a beautiful journalist has brought a message from his long-lost father, and Nick will follow her into Soviet-occupied Prague for a painful reunion. Confronting a father he barely remembers and a secret that could change everything, Nick knows he must return to the place where it all began: to unravel a lie, to penetrate a deadly conspiracy, and to expose the one person who knew the truth and watched a family be destroyed.
