Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from **A Review of Education Progress in Ohio for the Current Year** The most notable increase in endowment is at Wooster, namely, \$231,568.00, Western Reserve being second with \$176,766.67. Lake Erie College reports a hundred thousand increase; Cincinnati University, \$80,00.00; Ohio Wesleyan, \$63,000.00, chiefly gifts on the annuity plan; Mt. Union-Scio, a happy consummation but an awkward hyphenation, \$20,000.00; Case, \$14,000.00; and others in less amounts, or none at all. Kenyon, which owns residences for the members of her faculty, has a new President s house worth \$20,000.00, a professor s house costing \$8,000.00, and a new Alumni library, \$50,000. Heidelberg opened her new \$35,000.00 library last October, and will dedicate a new science building at the forthcoming Commencement. Muskingum has a new chapel, Cincinnati a new School of Commerce, Ohio State a new library, Western Reserve several new buildings and departments. Wilberforce will have a new science hall, Ohio Northern a \$150,000.00 memorial structure in honor of Ex-President Lehr who founded that institution in 1866, and the Ohio Wesleyan has launched a campaign for an Oratory building and the endowment of that department. German Wallace College is raising \$100,000.00 in honor of its fiftieth anniversary this June. Denison is going after \$300,000.00; Mt. Union-Scio, \$200,000.00; Heidelberg and Ohio Northern, like sums. Ashland, Defiance, Findlay, Oxford College for women, Wittenberg, - all have initiated forward movements of greater or less degree for endowments, buildings, and departments. We observe in the reports that have come to us from the colleges and universities a trend toward sounder scholarship, toward a saner and cleaner athletic life, and toward a lessening of the outside interests that interfere with scholarly pursuits....
