Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Have you ever wondered about life's questions: "What is it all about?" "Is there anything out there?" "Where do I fit in the universe?" "Why do bad things happen?" The writer - like a motivated and inspired explorer - has delved into the rich mines of the world's most intriguing sacred writings to unearth the gems: the answers to these questions. In the process, something unexpected happened: a common refrain emerged and some surprising revelations. Muslims, Christians, Jews in fact, people of all faiths, those of no particular faith, and anyone with an interest in things cosmic and spiritual will be encouraged, surprised, stirred to comment. Over 100 quotations from (in alphabetical order) the Avesta, the Bhagavad Gita, the Bible, the Quran, the Tanakh, and the Tipitaka. A concise pocket guide to inner peace. Not just inspirational, but informational. Putting texts side by side from sources not usually quoted together, the full cosmic reality emerges as the pieces come together.
