H5716 2010b OCLC Number: (OCoLC)724632327 Subject: Drone aircraft -- United States. Excerpt: . . . loquent way, talk about the northern border and, of course, the coastal that is so important. As violence continues in neighboring Mexico, our communities feel the impact across the Rio Grande, the narrow river that connects our two nations. 2010 has reached a boiling point as turf wars and gunfire unfold just minutes from our neighborhoods, and American families dont travel to Mexico as frequently as they did, and now Mexicans fear traversing the Mexican border towns to enter the United States. Since January alone, just miles from my district in neighboring Mexico, we have seen two consulates forced to be closed and reopened, two USDA livestock inspection sites in Mexico closed, then reopened on the U. S. side because they dont want to send their personnel across the river, most about drug-related shootings, pirates intimidating American boaters on the Falcon Lake and other activities that have disrupted the lives of U. S. citizens. These are types of situations where putting eyes in the sky can assist law enforcement in monitoring patterns and practices of our criminal organizations along the border. Monitoring these situations will give us an opportunity to prevent a spillover of violence from Mexico into the United States. Moving forward, I want to hear how DHS will expand the role of UAVs as a means of border security in the future, lessons learned, plans looking ahead, and what Congress needs to do in the mean time. I do want to thank, of course, the presentation that the assistant commissioner, Mr. David Aguilar, and all...
