Reviews

These types of book is the perfect pdf available. I actually have study and that i am sure that i will planning to read through again again in the foreseeable future. Its been designed in an exceedingly basic way which is simply soon after i finished reading through this publication in which basically changed me, modify the way i believe.

WITNESS TO HISTORY: THE FACE IN MEDIEVAL SCULPTURE (HARDBACK)

Yale University Press, United States, 2006. Hardback. Book Condition: New. 288 x 224 mm. Language: English . Brand New Book. The face in medieval sculpture was an exploration in human identity, marked not only by evolving nuances of style but also by the ongoing drama of European history. The 81 magnificent sculpted heads featured in this volume provide a sweeping view of the Middle Ages, from the waning days of the Roman Empire to the dawn of the Renaissance. Each sculpture bears eloquent witness to its own remarkable history, whether it was removed because of changing tastes or for political reasons, such as being cut off the head of a king on a grand cathedral facade. The book is organized into seven thematic sections, including Iconoclasm and The Stone Bible , which explore the process of reconnecting these works to their origins using both traditional art historical methods as well as the latest scientific technology. An essay on medieval physiognomy by the distinguished scholar Willibald Sauerlander introduces the volume.
