Brand New Book ***** Print on Demand *****.The world is changing every day in regards to Human Rights, and the United States has a close monitor on it. In 2010, from the Middle East to North Africa, and all around the globe, citizens stood up to demand respect for: human dignity, more promising economic opportunities, greater political liberties, and a say in their own future. Many times they faced tremendous odds and endured violent responses from their different governments. The resulting upheavals are still unfolding today effecting many. This year s Country Reports on Human Rights Practices chronicle these dramatic changes and the stories of the people defending human rights in almost 190 countries around the world; this is one of those reports.
