Brand New Book ***** Print on Demand *****.Excerpt from Memorial of the Thayer Name, From the Massachusetts Colony of Weymouth and Braintree, Embracing Genealogical and Biographical Sketches of Richard Thomas Thayer, and Their Descendants From 1636 to 1874 It is the custom of some persons to depreciate and even to ridicule genealogical inquiries and labors. The study of pedigree seems to them not only tedious, but profitless. They have no reverence or love for the past, and it is a matter of indifference who their ancestors were, or whether they ever had any. This is sometimes an eccentricity, sometimes a proud independence, which ignores ancestry in order to increase its own importance and show that its highest honors have not been attained through the wealth, patronage or name of progenitors. But a more fruitful cause of this low estimate has been the boasting and arrogance of some with reference to their distinguished ancestors. There is a false and a foolish pride of lineage which deserve censure and ridicule. It was such conceit that prompted a retort of Cicero, when a patrician said to him: You are a plebian. I am a plebian, replied the eloquent Roman orator, and the nobility of my family begins with me; but that of yours will end with you. The vain reliance upon remote and doubtful pedigree, and the arrogant assumption of place and honor by reason of distinguished descent is without corresponding merit. The more one studies history, and races, and families, the more he must be convinced of the marked and permanent influences of blood, despite all the crossings by intermarriages. Every genealogist has marked and marveled at the continuance from generation to generation of some particular...
