Professional Value Books, Inc., United States, 2015. Hardback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.The CONSULTING ENGINEER'S Guidebook is an excerpted and extended version of the new book The Complete Guide to CONSULTING ENGINEERING by John D. Gaskell, Retired Professional Engineer. It is the result of requests from many readers to narrow the focus to the goals of: - Becoming an outstanding consulting engineer. - Gaining a reputation as an expert in their specialty; and - Obtaining the engineering management skills needed to advance their career and make the firm stand out from their competitors. This is both a detailed handbook for new engineers and a constant reference manual for seasoned professionals. It is likely that consulting engineering firms will present this guidebook to all of their engineers as a learning guide to influence their leadership and sharpen their management abilities. It is anticipated that companies which provide products or services to engineers will present this guidebook to engineers as a Premium-Gift to promote new business and to thank engineers for their past support. If purchased in substantial quantities, a Special Edition named in honor of the sponsor...

Reviews

It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have got read through during my individual life and might be the finest publication for ever.

-- Prof. Murl Shanahan DDS

A must buy book if you need to add benefit. It can be really interesting through looking at period of time. It has been designed in a remarkably simple way and it is only after I finished reading this publication by which in fact altered me, modify the way I believe.

-- Ms. Julie Huels
